- We are extremely concerned with the proposed thorough fair that is going through Melbourne St. What was once a quiet street will become like a main highway.

We bought the house 5 years ago on the pretext we had off street parking as our house only has a single garage, but it looks like you are eliminating all street parking. **Can you please confirm the plan for parking on Melbourne street under the proposed changes?**

Queenstown has always been a very busy place until the recent pandemic and parking has always been on a premium, so it is absolute nonsense that off-street parking is being eliminated.

Can you please advise us accordingly

Thank you for your comments
