While we consider the project a good idea for Queenstown, as owners of two units on Bannock Street, we are concerned about the noise and disruption to our tenants, especially in these COVID 19 times when keeping good tenants is imperative. Our questions are:

- \* Will something be done to lower the noise impact during + afterwards
- + Will something be done to improve the aesthetics during + afterwards
- + If any damage is caused by the project to the property, will it be fixed.
- + What is the project timeline
- \* Is there going to be a complaint process in place during + afterwards.
