Tēnā koe,

**TE MAHI KOROWAI TRUST APPLICATION FOR PAKAKĀINGA DEVELOPMENT – RAĀPAKI,  
CHRISTCHURCH**

Heritage New Zealand Pouhere Taonga (HNZPT) has read the information and draft conditions regarding the Papakāinga Development at Rāpaki and note that our recommended condition regarding an archaeological assessment of the site be undertaken has not been adopted.

In that event, it needs to be noted that should any archaeological remains be uncovered or otherwise disturbed during any earthworks they will have to stop work and obtain an archaeological authority.

We also note that the information for contacting Heritage New Zealand Pouhere Taonga in the Mahaanui Iwi Management Plan is incorrect. The correct contact details are:

HNZPT Archaeologist: [FvanderHeijden@heritage.org.nz](mailto:FvanderHeijden@heritage.org.nz) – 03 363 1884

HNZPT Southern Regional Office: [infosouthern@heritage.org.nz](mailto:infosouthern@heritage.org.nz) – 03 363 1880

Yours sincerely
