As per below ... MY COMMENT ...

While it is up to the discretion of the panel whether to hold a hearing I request that one is held in Cromwell.

I have sensitive and personal information that is pertinent to the application that I would like to present to the panel but am unwilling to have published on the EPA website.

Hi Glen

I'm not sure why the form was blank . I have just tried to attach my comment but unable to attach to the form. Please forward and attach my comment to the form.

Kind regards
