Overall Notes:

Clause

What is the reason for making the submission?

Notes

The reason for this submission is to advise that Engineering New Zealand and its two relevant technical groups (Society of Fire Protection Engineers - New Zealand Chapter and the Institute of Fire Engineers) support the Fire Protection Association's submission on proposed amendment of the Regulation of Fire Fighting Chemicals Group Standard 2017. We will not answer each of the following questions but would like it noted that we are in support of the FPA's submission.

Clause

Do you wish to speak at a hearing?

Position

No
